

## Seafarers Sailing Club

### Personal Handicaps for 2017

As set out in the Club's Sailing Instructions, the results for all races except the Handicap series will be calculated using Portsmouth Yardstick (PY) numbers as promulgated by the RYA. For classes where no PY is published by the RYA, a PY will be allocated by the Sailing Secretary.

Results in the **Handicap Series** will be calculated as follows:

- a. The handicap number applied for competitors **not named** in the table below will be the PY number for the boat they helm as set out in the sheet "Portsmouth Yardstick (PY) Numbers – 2017" available from the Club website.
- b. The handicap number applied for competitors **named** in the table below will be the PY number for the boat they helm as set out in the sheet "Portsmouth Yardstick (PY) Numbers – 2017" **plus (+)** the figure that appears against their name under "Personal Handicap".
